engage survey workstation - All In One

All-in-one

The engage survey station packs beauty and power in one device. With a sleek smooth and clean-lined design featuring an integrated touch enabled screen, it includes one year license of icon engage survey software.

Touch Screen

The 15.6 inch intuitive touch interface puts everything at your fingertips. It offers easy and responsive operations for both novices and professionals by their finger or included stylus pen.

Ultra slim

Designed as a space-saver the engage station measures only 36mm thick.

Stand and Handle up to 180 degrees

The stand is convertible, and can be pulled up to serve as a carrying handle. You can select bending angles from 0-180 degrees to set whatever angle works for your environment.

VESA

The stand on the rear can easily be removed, unveiling the VESA mounting.

Eco Friendly

All components and materials of the engage station meet the rigorous standards of RoHs.
